Currie's Boiler and Still Establishment.

Neil Currie established his boiler works now located on the Esplanade, in 1851. Forty hands and an engine of twelve-horse power, are kept constantly employed. The establishment is complete in all its departments, the machinery used being of the very best kind, and fitted up with all the latest labor-saving improvements. Hemanufactures boilers for marine and stationary engines, stills, iron agitators, tanks, &c. Some of the largest oil establishments in Canada have been supplied by him.

Coffee and Spice Mills.

Wills & Watson, rear of 119 and 121 Bay; employ 3 hands, and an engine of 30 horse power. Annual estimate $20,000.

Biscuit Manufacturers

G. S. & A, Wills, 121 Bay street employ 13 hands and a 30 horse power engine. Annual estimate, $30,000.

Breweries.

Don Brewery, was established in 1834, by Mr. Thos. Davies, and is now carried on by T. Davies & Son. This brewery is on the River Don near Queen street. A steam engine of twelve horse power is used, and nine hands employed. The premises were greatly enlarged last year, and now have a manufacturing capacity of 1,900 gallons a day. The quality of ales and porter is unsurpassed. The water used is obtained from the City Water Works.

East Toronto Brewery.—This brewery was established on Parliament street near King, in 1847, by Mr. William Copland. The buildings are brick, 125 feet by 130, with a capacity of manufacturing 26,000 bushels of malt during the season.

Queen Street Ale and Porter Brewery, Messrs. Wallis & Cornell. The premises are well adapted for brewing purposes, and a very excellent article of ale and porter is turned out. Capacity between 4,000 and 5,000 gallons per week. The stock cellar is first-class.

Victoria Brewery.—This extensive brewery is situated on Gould street, corner of Victoria, and was established in 1849. It is now owned and carried on by Messrs. O'Keefe & Co. It has a capacity of 7,000 gallons a week. The malt floors in the new building have been put up with much care.

Severn's Brewery, Yorkville, Established 40 years. This large establishment was erected at a cost of $40,000. The machinery and appurtenances are of the best quality. Capacity about 50,000 gallons per annum.

East End Brewery, River street. Thompson and Allen proprietors. The motive power is steam, the engine 10-horse power, and all modern improvements are introduced.

West Toronto Brewery, Queen street corner of Niagara, established about 1835. The establishment is now carried on by Messrs. Cosgrive & Elmsley, who manufacture every description of pale ale and porter. The firm are now able to turn out 9,000 gallons weekly.

Walz's Brewery, established in 1858 by John G. Walz. Premises are on Duchess cor Caroline. Manufactures exclusively lager beer of first-class quality. A notable feature of this establishment is the patent cellar, of which there are only three others on the continent. It is well worthy of general adoption.

Mr. WM. Thomas Fitzhenry's Distillery, situated 61 Little Front, was established in 1855. Eight hands and an engine of twenty-five horse-power are employed. The establishment turns out about 80,000 gallons per annum.

Brick and Tile Manufacturers.

Messrs. Nightingale and Bulmer and Rogers, Yorkville, are extensively engaged in the manufacture of tiles, sewer pipes, drain tiles, and white and common brick of the best quality.

Brush Manufacturing.

In this branch of manufactures, Mr. Charles Boeckh commenced business in Toronto, in 1850. Mr. Boeckh received a premium at the Dublin Exhibition, in 1864; and first prize last Provincial Exhibition, in Toronto. There are at present employed about 60 hands, in addition to an eight-horse power steam engine, manufactured by Messrs. Martin & Son, of Ontario street, Toronto.

The whole process of manufacturing from the raw material in wood, bristle, fibre, &c., is carried on with a regularity and system scarcely to be surpassed in the old country. "Boeckh's Improved Bahia Broom" "C. X. Paint Brush" and Kalamine Brushes are universally acknow.
ledged superior to any article of the kind in the market. The several branches of the business are conducted under the personal supervision of Mr. Boeckh, and from his well known reputation as a manufacturer, it is worth the consideration of purchasers visiting Toronto to call and see for themselves.

Boots and Shoes.

Brass Founders, Plumbers, Gas and Steam Fitters.
John Ritchie, 92 King street east; established 1865; employs 25 hands, motive power steam, engine eight-horse. Mr. Ritchie has manufactured steam and gas fittings of the very best description for several of the principal establishments of the city. Mr. Ritchie is also manufacturer and agent for Hedden's low water alarm.

Fire and Burglar Proof Safe Manufactory.
Taylor's Safe Works, established by Messrs. James and John Taylor, in 1855, on the corner of Palace and Erin streets. This is the pioneer establishment in British America. The business has been constantly on the increase, and fifty hands are kept in steady employment. The safes turned out have a world-wide reputation, and orders from the Maritime Provinces have been lately filled at these works.

Builders, Contractors and Wharfingers.
Messrs. Scott & Stollery, Esplanade, established in 1860; employ on the average one hundred hands. This firm is also extensively engaged in the importation of all kinds of building stone.

Messrs. Barchard & Elder, carpenters, builders, and manufacturers of every description of packing boxes, 284 King street east. The individual members of this firm are well and favorably known in the city as skilful, prompt and energetic workmen, and by their combined efforts and experience are determined to procure a fair share of public patronage.

Carriage Works.
Messrs. Dixon Brothers' Carriage Works, 70 and 72 King street west, were established in 1860. This firm now employs about twenty hands, and turns out about 200 carriages of every description per annum.

Mr. Robert Coghill, 163 King west, employs a large number of hands, and turns out all kinds of vehicles, which, for elegance and finish may justly compete with any other establishment in the city.

Foundries.
Globe Foundry, Queen street, head of Bay, established in 1845, by Mr. Edward Beckett, employing about thirty hands and ten-horse power steam. Mr. Beckett has a two caloric engine of four-horse power, by means of which he is enabled to turn out light castings at an exceedingly short notice; thus parties from any part of the country, coming to Toronto, and desirous of returning with as little delay as possible, can get their castings in an hour or two—at the same time, castings of four tons weight can be turned out. Every description of mill machinery, agricultural and architectural work is manufactured.

St. Lawrence Foundry, W. Hamilton & Son, 136 Palace street, manufacturers of every description of stationary and portable engines, tobacco machinery, and saw mill machinery, castings and forgings of every kind. About one hundred hands are kept employed, and an engine of 30-horse power used to propel the machinery.

Ontario Engine and Machine Works, 3 Ontario Lane and 209 Queen street east, James Martin & Son, proprietors. Steam engine eight-horse—average ten hands employed. Manufacture steam engines, hydraulic pumps and presses, mill machinery, caddie and box presses, retainers, compresses, &c. Engines made by this firm may be seen working at Messrs. Rowsell's, J. D. Lewis', J. Carty's, Cuttle & Sons, McGregor (rope maker), Syage (builder), Telegraph and Christian Guardian offices, Boeckh's factory, Greig & Carlyle's, &c. The traction engine employed in driving the stone-crusher used in the city, was manufactured by this firm.

Manufacturing Stationers.
Messrs. Brown Brothers commenced business, at Nos. 66 and 68 King street east, in 1866, as manufacturing stationers, book-binders, &c. They are now doing a very large business, giving employment to forty hands. The first and second floors of their building are used as warehouse and counting rooms; third and fourth
1866. They employ about twelve hands, and turn out upwards of 60 pianos a year.

**Canada Stained Glass Works.**

An establishment for the staining and enamelling of glass was commenced in 1856, on Temperance street, by Mr. Joseph McCausland, now removed to 8 King street west, where fourteen hands are employed on house painting, glass staining, &c. The stained glass for the Toronto University, the Government Buildings at Ottawa, and the Government House in Toronto, were supplied by Mr. McCausland, as well as that for St. Stephen's Church, St. Peter's, and several other churches and public buildings throughout Canada.

**Picture and Looking-glass Framing.**

In this branch of business the leading establishments are Messrs. R. W. Laird, 79 King street west, and H. J. Matthews & Bro., 189 Yonge street. These establishments employ a large number of hands, and manufacture every description of gilt and washable gilt moulding, picture and looking-glass frames, &c.

**Tin, Copper and Sheet Iron Ware.**

Wm. Cotterell, 56 King street west, established 1866, employs 10 hands, manufactures every kind of tin, copper and galvanized iron work, roofing, &c.

**Soap and Candles.**

J. Carty & Co., cor George and Queen streets, employ twelve hands and a steam engine of six horse power. Messrs. D. Crawford & Co., and Wm. Matthews are also extensive manufacturers.

**Vinegar Works.**

**Bay Street Vinegar Works.**—These works were established in 1859, and are owned and carried on by Mr. Wm. Wilson at 115 and 117 Bay street. Mr. Wilson now employs about ten men, and manufactures every description of white wine, malt and elder vinegars. About seventy-five barrels a week are turned out. The vinegars here made have an excellent reputation, and are manufactured solely from liquors. Mr. Wilson is also extensively engaged in the manufacture of cigar boxes of first-class quality.

**Wall Paper Manufacture.**

M. Stanton, established 1825, employs forty hands and a steam engine of forty horse power. Capacity 700,000 pieces per annum.

Floors, occupied as book-binding and account-book manufactory. A pocket diary is here manufactured that has entirely superseded the American, hitherto imported.

A. Dredge & Co., 53 Yonge street, are also extensively employed in the same branches, and in the manufacture of envelopes.

**Ontario Glove & Morocco Factory.**

W. E. Parmenter, proprietor, Yonge street, Yorkville. Established 1869. Employs 12 hands and a steam engine of 10 horse power. Gloves, sheepskin Morocco, Manufacturers' leathers, druggists' skivers, &c., of the best quality are manufactured at this establishment, to the value of about $30,000 annually.

Planing, Sash, Door and Blind Factories, Lumber Dealers, &c.

**Atlan Wood Works.** Front street, opposite Queen's Hotel, established in 1863, by Mr. John Clements. There are about thirty men kept employed at these works, and a steam engine of twenty horse power. The planing machine is kept so constantly at work that the shavings are sufficient to supply all the steam required. Sashes, doors, blinds and every description of builders' furnishings, are here manufactured.

**Central Planing, Sash, Door, and Blind Factory.** 71 Adelaide street west, Jacob P. Wagner, proprietor. Upwards of one hundred hands are now employed, and thirty horse-power steam is used to propel the machinery. The factory is fitted up with the latest improved wood-workers' machinery, and every description of wood moulding, turning, planing, sash, doors, blinds, &c., are manufactured.

W. W. Colwell & Bros., lumber manufacturers—mills at Harrison's crossing; employ 20 hands; capacity, 20,000 feet a day.

**Burke's Planing Mills, Sash, Door and Blind Factory.** Situated on the corner of Richmond and Sheppard streets, was established in May, 1867. Every description of mouldings, house furnishings, sashes, doors and blinds, packing cases, sawing, planing, &c., is done at these mills.

**Sewing Machines.**

**Gat's Lock-Stitch Sewing Machine Factory.** 119 and 121 Bay street, established 1865. Employs 50 hands and a steam engine of 20-horse power, turning out about 4,000 machines per annum.

**Plano- forte Manufacturing.**
