THE PUBLISHER, in presenting his Sixth Annual Edition of the Hamilton Classified Business and Niagara District Directory, believes that the book will prove very useful to both Hamilton and country residents. The compiler having lived here for the past twenty-five years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

For strangers this book will be found an accurate and reliable business guide. City of Hamilton.

The City of Hamilton has a population of 30,000, making it the second largest City in the Province of Ontario. It is beautifully situated at the head of Lake Ontario, on Hamilton (formerly Burlington) Bay, and has one of the finest harbors in the world. It is 40 miles from the City of Toronto, 45 from Niagara Falls on the Main Line of the Grand Trunk Railway, also the N. & N. W. Branch of the same Road running north, south, east and west out of the city. Besides this, trains for W. G. & B. and B. & T. Branches leave Hamilton each day. The Canadian Pacific and Michigan Central both run through Hamilton on the Toronto, Hamilton and Buffalo tracks, giving the City as good shipping facilities as any city on the Continent. The Hamilton and Dundas Railway, also Hamilton and Grimsby Electric Railway and Hamilton Electric Street Railway, along with a very fine line of steamers running between Hamilton and Toronto, making four round trips daily between the two cities all summer, make Hamilton one of the most pleasant places to live to be found in the Dominion.

We have a number of large stove foundries, agricultural and wheel works, and other factories, as well as steel, bridge, smelting works, rolling mills and nail works; in fact, it is known all over the world as the Birmingham of Canada. The principal streets and pavements are of Trinidad Asphalt. There are many lovely residences in all parts of the city. Two Incline Railways to carry farmers and others down and thousands of pleasure seekers up to the top of the mountain during the hot weather, from which a grand view of the city and surrounding country can be had.

The Public Buildings, such as the Court House, City Hall, Market Hall, Post Office, Churches and Schools, also Public Parks, are as fine as can be had in the Dominion.

Our Markets are stocked with the choicest fruit and vegetables that can be grown; being situated as it is in the centre of the Fruit Garden of Canada. As many as four hundred farmers' wagons loaded with all kinds of produce are to be seen on many market days.

Altogether a more pleasant place to live could not be wished for. To all parties looking for a place to go in business, either in manufacturing or mercantile line, visit Hamilton before you decide.

MEN'S TILES...

In all the styles approved by fashion we keep in stock. We try to please our customers' eyes and we try to give them hats that wear a long time. That way we don't sell one man so many hats, but we sell hats to a great many. Men buy hats as they buy clothes when they can get the hat that wears the longest and looks well the season through.

This is conclusive proof of the quality of goods we manufacture and you can confidently recommend them. We never knowingly allow a poor article of our manufacture to go out to a purchaser, and will at all times gladly make right anything from us that is not up to standard, FREE OF ALL CHARGES.

We have the LARGEST STOCK OF GENERAL FURNITURE IN ONTARIO AND THE HANDSOMEST WAREROOMS. This is said without fear of contradiction.

We are always glad to shew a visitor to our city through the warerooms and will esteem it a favor if you will bring your friends to see the stock. We ask your help to bring Hamilton to the Front in our business, and be assured we will do all in our power to keep it there.

CREDIT

As a valuable asset is second only to actual cash. Every prudent person understands and acts accordingly. Shrewd business men who could well afford to pay cash cultivate a line of credit, looking forward to the possible day when they may need it, and when it might prove their financial salvation.

IS THE

example worthy of your endorsement? You may not require credit, still, it causes hardship to be obliged to do without. For instance, the rich suite you require to furnish your parlor, or the massive sideboard for which the space is yawning in your dining-room. The

BACKBONE
OF

a month’s salary is broken in attempting to buy such an article of furniture, and possibly could you have afforded another five dollars you would have got something much more to your taste, but the purse distinctly decreed thus far shalt thou go and no further. Besides, with the purse empty for the following month, your experience was of a

CHARACTER

to be avoided if possible. Now, would it not be wiser to come to us? We have the largest store and stock in town; choose what you need, pay down what you please and make arrangements to suit yourself for the balance. Think these things over and when you need anything in the Furniture or Carpet line, whether you desire to pay cash or credit, give us a call.

NORTH AMERICAN LIFE ASSURANCE CO.

A POPULAR, PROSPEROUS, PROGRESSIVE
CANADIAN COMPANY

Doing Business Exclusively in Canada.
Issuing Policies on all improved plans. Ask for figures on its
two latest plans:
COMPOUND INVESTMENT and
INVESTMENT ANNUITY
POLICIES.

The particular features of these plans are not embodied in any other Policy
of insurance offered the Canadian insurance public. No trouble to call and
explain these contracts, which are simple, free from onerous conditions,
and incontestable after three years.
The Assets amount to $369,278.15, of which the large sum of $333,913
represents the addition to the reserve fund, which now amounts $1,799,872.
During the year the sum of $144,826.32 was paid to Policy holders, and after
making full provision, on the most conservative basis, for every liability, there
remains the relatively large sum of $339,498.45 as net surplus available for
Policy holders.

All profits are distributed among its Policy-holders, and the act of incorporation
expressly frees them from any liability other than the voluntary payment of
premiums.

PROFITS TO POLICY-HOLDERS.
The profits paid on investment policies which matured in 1895 were eminently
satisfactory to their holders, as has been frequently proved by the numerous
congratulatory letters of acknowledgment received from them from time to time.
The report of the Consulting Actuary on the Investment Policies maturing in 1895
shows the profit results to be again in excess of those contained in the book of
figures in use by the Company's agents.

Particulars as to premium rates and further information can be obtained on application to
