PREFACE.

THE PUBLISHER, in presenting his NINTH ANNUAL EDITION of the HAMILTON CLASSIFIED BUSINESS AND NIAGARA DISTRICT DIRECTORY, believes that the book will prove very useful to both Hamilton and Country residents. The compiler having lived here for the past twenty-eight years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

For strangers this book will be found an accurate and reliable business guide. The publisher returns his thanks to the advertisers and subscribers who have so liberally supported him, and hopes that every year the “Ambitious City” and the old Niagara District will grow in prosperity and importance.

HAMILTON, SENECA JONES,

City of Hamilton.

The City of Hamilton has a population of 50,000, making it the second largest City in the Province of Ontario. It is beautifully situated at the head of Lake Ontario, on Hamilton (formerly Burlington) Bay, and has one of the finest harbors in the world. It is 40 miles from the City of Toronto, 45 from Niagara Falls on the Main Line of the Grand Trunk Railway, also the N. & N. W. Branch of the same road, running north, south, east and west out of the city. Besides this, trains for W. G. & B. and B. & T. Branches leave Hamilton each day. The Canadian Pacific and Michigan Central both run through Hamilton on the Toronto, Hamilton and Buffalo tracks, giving the City as good shipping facilities as any city on the Continent. The Hamilton and Dundas Electric Railway, Hamilton and Grimsby Electric Railway, Radial Electric Railway and others in the course of construction and the Hamilton Electric Street Railway, make Hamilton one of the most pleasant places to live in to be found in the Dominion.

We have a number of large stove foundries, agricultural and wheel works, Air Brake works (the only in Canada), steel bridge, smelting works, rolling mills and nail works, etc.; in fact, Hamilton is known all over the world as the Birmingham of Canada. The principal streets and pavements are of Trinidad Asphalt. There are many lovely residences in all parts of the city; also two Incline Railways to carry farmers and others down and thousands of pleasure seekers up to the top of the mountain during the hot weather, from which a grand view of the city and surrounding country can be had.

The Public Buildings, such as the Court House, City Hall, Ontario Normal School, Market Hall, Post Office, Churches and Schools, also Public Parks, are as fine as can be had in the Dominion.

Our Markets are stocked with the choicest fruit and vegetables that can be grown, being situated as it is in the centre of the Fruit Garden of Canada. As many as four hundred farmers' wagons loaded with all kinds of produce are to be seen many market days.

Altogether a more pleasant place to live could not be wished for, to all parties looking for a place to go in business, either in manufacturing or mercantile line, visit Hamilton before you decide.

The Imperial Life

ASSURANCE COMPANY OF CANADA

PRESIDENT
HON. SIR OLIVER MOWAF, P. C., G. C. M. G.,
Lieut.-Governor of Ontario, Ex-Minister of Justice of Canada.

CAPITAL, $1,000,000.00
DOMINION GOVERNMENT DEPOSIT, 250,000.00
(Being the largest made by any Canadian Life Insurance Co.)

FACTS AND FIGURES

1. THE DOMINION GOVERNMENT, for the protection of Policyholders, requires all Life Insurance Companies to make a deposit with it of $50,000.00. The Imperial Life has voluntarily made a deposit of five times this amount, $250,000.00; being the largest deposit made by any Canadian Life Insurance Company.

2. THE WHOLE SUBSCRIBED CAPITAL of the Company—One Million Dollars ($1,000,000.00)—forms a substantial and tangible security to Policyholders, that every guarantee and condition will be fully and minutely carried out.

3. IN ADDITION TO THE SUBSTANTIAL security afforded to Policyholders from the Dominion Government Deposit of $250,000.00, and the large Capital of $1,000,000.00, the Directors have still further strengthened the Policyholders' security by basing the policy reserves on the most stringent basis used in Canadian Actuarial Calculation, viz., Institute of Actuaries' Table of Mortality and Interest at 3½ per cent.

4. ACCORDING TO THE LAST RETURNS made to the Dominion Government, The Imperial Life has Assets of $374 for every $100 of Liabilities to Policyholders.

5. THE IMPERIAL LIFE IS the only Canadian Life Insurance Company, out of the fifteen actively engaged in business, which affords Policyholders the extraordinary security referred to under Nos. 1, 2, 3 and 4.

6. DURING THE PAST YEAR the business transacted amounted to $3,485,400, an amount surpassed by only three out of the thirty-three Canadian, British and American Life Companies actively doing business in Canada.

7. THE FOLLOWING FIGURES, taken from the last Annual Statement, indicate the marked and substantial success of the Company's operations last year:—

New insurance $3,485,400, an increase of $2,983,400
Cash Premiums and Interest Income 181,752 " " 134,725
Assets 677,062 " " 340,814
Reserves 180,761 " " 142,335
Surplus on Policy-holders' Account $493,744.00
