PREFACE.

THE PUBLISHER, in presenting his Fifth Annual Edition of the Classified Business and Niagara District Directory, believes that the book will prove very useful to both Hamilton and country residents. The compiler having lived here for the past twenty-four years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

For strangers this book will be found an accurate and reliable business guide. The publisher returns his thanks to the advertisers and subscribers who have so liberally supported him, and hopes that every year the "Ambitious City" and the old Niagara District will grow in prosperity and importance.

FOLLOW THE EXAMPLE of the hundreds of young ladies and gentlemen who have LEARNED BUSINESS by DOING BUSINESS in the busy mercantile offices of the Hamilton Business College, and who have been qualified thereby to DO BUSINESS for others or on their own account.

The College is a big business office, wherein the student acts as assistant book-keeper, accountant, and finally manager, in order of promotion, until he is graduated into the larger field of business—the commercial world.

The institution is conducted by experienced business men, who devote their entire attention to the training of young men and women for active, useful lives. The elegant announcement, giving full particulars, will be sent upon application to the Principal,

COMPANY

DOING BUSINESS EXCLUSIVELY IN CANADA.

Issuing Policies on all improved plans. Ask for figures on its two latest plans:

COMPOUND INVESTMENT and INVESTMENT ANNUITY POLICIES.

THE particular features of these plans are not embodied in any other Policy of insurance offered the Canadian insurance public.

No trouble to call and explain these contracts, which are SIMPLE, free from ONEROUS conditions, and incontestable after three years.

The Assets amount to $1,987,446.30, of which the large sum of $244,510 represents the addition to the reserve fund, which now amounts to $1,564,020. During the year the sum of $133,426.52 was paid to Policy-holders, and after making full provision, on the most conservative basis, for every liability, there remains the relatively large sum of $338,216.75 as net surplus available for Policy-holders.

All profits are distributed among its Policy-holders, and the Act of Incorporation expressly frees them from ANY LIABILITY other than the voluntary payment of premiums.

PROFITS TO POLICY-HOLDERS.

The profits paid on investment policies which matured in 1894 were eminently satisfactory to their holders, as has been frequently proved by the numerous gratulatory letters of acknowledgment received from them from time to time.

The profit results to be again in excess of those contained in the book of the Consulting Actuary on the Investment Policies maturing in 1895.

Particulars as to premium rates and further information can be obtained on application to

In addition to this they have among them subscribed for $25,000 of the Capital Stock of the Company, as a guarantee of their perfect faith in its plan of operation, thus making it of the most vital importance to themselves that every effort should be put forth in the direction of ECONOMY, EFFICIENCY and ABSOLUTE SECURITY.

STOCK.

CLASS I.—Ordinary Instalment Stock costs 50c. per share per month, and, in common with all shares in this Company, has a maturity value of $100 per share. Each share may be withdrawn at end of 120 months with all profits, or before if payments with profits amount to $100. Payments are limited to 120, but whenever payments and profits amount to $100 per share the same may be withdrawn.

No entrance fee. Monthly payments 50c. per share. A subscriber for this stock may withdraw after one year on 30 days' notice every cent he has paid in, except a fee of $1 per share if withdrawn within 5 years.

CLASS 2.—$50 Prepaid Stock, is a prepayment of all payments of Ordinary Instalment Stock accepted by the Company for the accommodation of the investor. In the ordinary course of events this stock will mature in seven or eight years, in which case it may be withdrawn or allowed to remain for the full period of 120 months, and then withdrawn with all profits.

CLASS 3.—$60 Prepaid Interest Bearing Coupon Stock shall bear interest at the rate of six per cent. per annum, payable half-yearly, the balance of the profits to be applied to the maturing of the stock, which shall be withdrawable with all profits at end of 120 months or at maturity of stock.

CLASS 4.—Permanent Stock to the amount of $100,000 shall be issued at $100 per share, bearing interest at the rate of six per centum per annum, and the interest thereon shall be payable half-yearly; and shall be a first charge on the profits of the Company to that extent. This stock shall be non-withdrawable, but will be listed on the Stock Exchange to facilitate sales and transfers thereof in the ordinary manner, and shall not participate in any dividends or profits beyond the said six per cent. per annum.
