PREFACE.

The Publishers, in presenting their FIFTH ANNUAL EDITION of the City of Hamilton and County of Wentworth Directory, present their acknowledgments for the kind patronage so liberally bestowed, and beg to state that every exertion has been made to render the work complete and reliable. In a compilation of this kind it is impossible to obtain perfectly accurate information; many persons, misjudging the character of the work, will purposely give false names; others refuse information, and the orthography of proper names offers another great obstacle. We trust this work will contain but few errors, and we respectfully urge our claims to lenient criticism.

We respectfully request our patrons to see that all subscription carriers for our next edition bear our name:

carried on here, among which the foundry and machine shops of A. Egleston, an extensive card clothing factory, with establishments for the making of wagons, carriages and agricultural implements, a flour and grist mill and a tannery.
