PREFACE

The publishers, in presenting their Eighteenth Annual Edition of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, that as in the past, so in the future, every means in their power will be exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be, and if errors are discovered they solicit a lenient criticism. The present volume contains about 14,000 names of males (adults), widows, and women engaged in business, being 28 per cent. of the estimated population (50,000). We claim that in everything essential this work is equal to any similar compilation published on this continent.

Wishing our patrons a favorable year, we take our leave, hoping in due time to request their support for the nineteenth edition of this book. Please see that all orders bear our name.

**SUBSCRIBERS’ CLASSIFIED BUSINESS DIRECTORY**

Subscribers only are eligible for insertion in this part of the work. It is obvious that those who support it should be entitled to greater advantages than others.

We have frequent complaints of certain parties who persistently borrow Directories of their more liberal neighbors. The only remedy is not to lend it. It is within the reach of every business man. Every man’s name is found in the Alphabetical Directory.
