PREFACE.

The publishers, in presenting their THIRTEENTH ANNUAL EDITION of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, the great majority of whom they are happy to know are personal friends or acquaintances, that as in the past, so in the future, every means in their power will be exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be. Every house has been visited by our agents, and if errors are discovered we solicit a lenient criticism. The present volume contains about 13,000 names and addresses which is in excess, considering the population of the city, of the average Directory number. Wishing our patrons a favorable year, we take our leave, hoping in due time to request their support for the FOURTEENTH edition of this book.

Several of our patrons complain that certain persons are in the habit of constantly borrowing Directories, and when most needed they are not to be found. The best remedy for this evil is not to permit the book to leave your premises. Every business man requires the book and can afford to purchase it.

W. H. IRWIN & CO.

March 1st 1886.

NOTICE TO THE PUBLIC.

We deem it our duty to warn our patrons against certain “Directory publishers” who have recently appeared in the province, and who by the most disreputable representations obtain orders for their imperfect and often almost worthless publications. Several parties in this city have been victimized in this manner. Please see that all orders for the City of Hamilton Directory bear our name and address. Maps, calendars, business charts and other so called first-class advertising mediums will also bear investigation.

W. H. IRWIN & CO.

Directory Publishers and Publishers' Agents

The oldest established Directory publishing firm in Ontario, and excepting Messrs. Lovell & Son, of Montreal, in the Dominion. During our long experience we have compiled this class of work for all the cities of Ontario and Quebec with the exception of Montreal; a large number of the counties of Ontario, the Eastern Townships of Quebec, and compiled the Messrs. Anderson's Ontario Directory published in 1869. This experience authorizes us to state that our compilations are as complete as any of the publications of this kind can be. While avoiding all redundancy; cramming the book with matter foreign to the character of this class of books, nothing is omitted that should be included in the legitimate contents of the Directory. Please see list of our publications on this page.

To avoid the confusion and mistakes resulting from subscribing toDirectories of the City of Hamilton, or our other publications, which may be undertaken by outside parties, please observe that all orders bear the name of W. H. Irwin & Co. We are permanent residents of the city, all our agents reside here, the book is printed here and is essentially a local work.

TORONTO,

...g to call the attention of the Trade that by the combined efforts of expert departmental buyers, going to Britain twice a year, and a resident buyer and staff there, they are enabled by watching the home markets thoroughly to contract and purchase lines of goods not obtainable elsewhere. They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent as this Firm. The effect and consequence are that year by year the trade constantly and uniformly increases.

The stock is always large and varied, and is continually being supplemented by new purchases of the latest novelties and value.

They solicit an inspection at all times. Letter orders or orders through our travelers receive careful and prompt attention but personal inspection is solicited.
