6 VERNON'S DIRECTORY OF

PREFACE.

THE publisher, in presenting his first edition of the Peterborough and Ashburnham Directory, hopes that it will prove acceptable to the business and professional men of the city. Having had a large and varied experience of eighteen years in the directory business, he has adopted the latest improvements in the method of compiling this work. Of course, errors will naturally occur in the first edition, but he hopes to improve every edition he publishes in the future. The work will be published by him every two years, and it will be to the mutual interest of both parties that the people support the publisher.
