The North American Life

is a strong and successful Company.

ITS STRENGTH IS PROVEN

by the figures to be found in the last Dominion Government Insurance Report, showing its ratio of net surplus to liabilities to exceed that of any other Home Company. Its financial position is not excelled by any other Company. Its success is shown by the splendid results paid under matured investment policies, such results not being exceeded by any other first-class Company on this Continent.

ITS PLANS OF INSURANCE

are attractive and specially adapted to meet the requirements of all classes of insurers.

As an illustration: If you are age 40 and your wife 35, the Company will issue to you a policy, that in case your wife survive you she can have an income for life of $500 per annum. This guaranteed form of Life Annuity Contract will cost at the ages named an annual premium of $687—or, if the premiums be limited to 20 Payments, the annual cost would be $337; other ages at proportionate rates.

For further information write to the Head Office or any of the Company's Agents.

L. GOLDMAN, Secretary.  Wm. McCABE, Managing Director.

### Subscribers’ Classified Business Directory.

Subscribers only are eligible for insertion in this part of the work. It is obvious that those who support it should be entitled to greater advantages than others.

We have frequent complaints of certain parties who persistently borrow Directories of their more liberal neighbors. The only remedy is not to lend it. It is in the reach of every business man. Every man’s name is found in the Alphabetical Directory.
