GENERAL AGENTS:
TORONTO, - - - - - - - - Alexander & Stark.
HAMILTON, - - - - - - - - Seneca Jones.
The "TWIN BROTHERS" after many years' successful business in the Dominion, are desirous of expressing their sincere thanks to their Customers and the Public for past favors.

They refer with pride to the unexampled preference shown to their Yeast. During the last few years Canada has been inundated with various brands of so-called yeast, among which we may enumerate:

- Mrs. Churchill's Yeast.
- The Diamond Yeast.
- The Dominion Yeast.
- The Star Yeast, &c.

All these worthless Trade Marks are now bankrupt, and their offspring out of the Market; the superior qualities of the "Twin Brothers" Yeast having completely killed them. The country knows them no more. The little remaining on storekeepers' hands is so much rubbish, and we warn all against it.

Our Agents are now going through the country taking up Old Stock and replacing it with the "Twin Brothers" Latest Improvement. The Yeast we are now placing in the Market is warranted to be, without exception, THE BEST ARTICLE EVER INTRODUCED to the public, and makes the SWEETEST and LIGHTEST BREAD ever known.

For sixteen years the "Twin Brothers" Dry Hop Yeast has enjoyed the confidence of the Trade, and to-day stands without a rival. It is the only article that has commanded such universal satisfaction, and has a World-Wide Reputation.

At the late World's Fair in Vienna it received the Gold Medal and honorable mention from the Committee.

We ask everyone to give it a fair Trial, feeling assured that when once properly used no household will be without it.

ASK YOUR GROCER FOR IT, AND SEE THAT HE GIVES IT TO YOU FRESH

TO THE PUBLIC.

The "ISOLATED RISK FIRE INSURANCE COMPANY" having been established solely with the view of insuring against loss or damage by fire, the owners of ISOLATED or NON-HAZARDOUS Properties, the Directors therefore respectfully direct the attention of Insurers to the following:—It will adjust all losses without delay, and pay over the CASH AT ONCE. It being the first Stock Company to give REASONABLE RATES, and not impose on those whose Properties are NON-HAZARDOUS the burden of making up the losses by those whose Properties ARE HAZARDOUS, the Directors would, with every confidence, look to the public for support.

Very reasonable Rates given on application at HEAD OFFICE, or at any of the Agencies.

THE ADJUSTABLE
CORK BOSOM PAD.

Patented in Canada,
June, 1876.

GRACEFUL!—Its perfect shape renders it indispensable for the exact fitting of a dress, and secures a graceful figure.

HEALTHY!—Being made of CORK, it is light and porous, and so adds to the growth and development of the body, instead of checking its normal functions.

THE CORK BOSOM PAD is made of thin Cork, neatly covered, gives a graceful shape to the figure, and neither breaks nor gets out of order. It is strongly endorsed by medical men, and entirely supersedes the old rubber pad, which was unhealthy, heating to the body, and is superior to the wire pad, which rusted with heat, and was dangerous from its liability to break. ONCE TRIED NO LADY WILL EVER BE WITHOUT IT.

THE MONTREAL TELEGRAPH COMPANY.

This popular Company, which has its wires laid along the line of railways and connections, was incorporated in the year 1847, with a capital of $60,000, and began its operations with 12 or 15 offices between Montreal and Quebec. Its history has been an uninterrupted success from the start, its lines having been extended to the remotest sections of the country wherever they can be maintained, and offices opened in nearly every village and hamlet throughout the country. Its capital stock has been increased to $2,000,000, its miles of lines to 22,000; and its number of offices to 1,450. Extensions are constantly going forward into newer and remoter sections of the country as routes opened up, and new offices are almost daily being opened.

This Company is apparently unaffected in its prosperity by rival schemes, having outlived several in the course of its history. No country in the world is probably better served in the matter of telegraphic communication than Canada. The great abilities and enterprising spirit of Sir Hugh Allan, the President of the Company, have been as serviceable in developing the organization we are now describing as in founding the magnificent system of Oceanic communication with which his name is so familiarly identified. An enterprising, but at the same time shrewd and far-seeing policy has, in fact, characterized the Company's operations from the very out-set. In this respect, and in all questions demanding liberal and comprehensive action, this company has been greatly assisted by possessing in Mr. H. P. Dwight, the superintendent of the Western District, a gentleman who has had regard not so much for an immediate return for the work undertaken as the certain, steady expansion of business in a corresponding ratio with the increase of trade or population. Mr. Dwight's management extends over the most important section of the Company's territory.

Chocolate Confectionery is become a household word with nearly all doctors and mothers of families, for their children. When manufactured pure, it is one of the best and most wholesome of confections.

Messrs. Jeffery & Co's Chocolates have been awarded the highest honors wherever exhibited, and well they deserve it. They are, without doubt, the best ever produced on this continent. They have done much good in introducing an article of so much benefit to the public generally.

The Cocoa is also a delicious beverage, and is well deserving the patronage of Cocoa consumers.

Fire Alarm Telegraph.

DIRECTIONS TO KEY HOLDERS.

Upon positive information of a Fire near your signal box, unlock the signal box door, and if you hear a ticking in the box, count the number struck; if the number struck is the number of any box near the fire, you may conclude that the alarm was given by some person before your arrival. If no ticking is heard in the box, pull the brass hook all the way down, about two inches—once only—and let it go; or if it be a brass knob and not a hook, pull the brass knob upwards and around as far as it will move, then let it go, then wait a minute, and if you hear no ticking in the box or alarm on the bells, go to the nearest box to the fire, and pull the hook or knob in that box. On no account should the hook or knob in any box be pulled until after the ticking in the box has ceased for at least fifteen seconds, and no alarm should be given for a chimney only on fire.

Never open the box, or touch the hook or knob, except in the case of fire.

W. HEWITT & Co., PAINTS and OILS, Corner Yonge and Adelaide.
EXPERIENCED WORKMEN EMPLOYED AT WEBSTER'S.

Never give an alarm except from the box nearest the fire, unless you have first ascertained that the box nearest the fire will not work.

The key used in opening the box cannot be taken out without another key, called a relief key, and no person should try to take the key out until a person having a relief key takes it out. Be sure the box is locked before leaving it.

Never let the key go out of your possession unless to some responsible person for the purpose of giving an alarm, or when called for by the Superintendent or Engineer of the Fire Department. The Key should be kept in one certain and secure place, out of the reach of children or strangers, but readily and easily got at when required.

FIRE ALARM BELLS AND GONGS.

One at each of the following stations.
- Engine House No. 1, cor. Bay and Temperance Streets.
- Hook and Ladder and Hose Fire Hall, No. 5 Court Street.
- Hose Fire Hall, No. 6 Queen Street (West of John.)
- St. Lawrence Hall.
- Observatory Time announced at 11.55 A.M., on all the Alarm Bells.

Complaints concerning Signal Boxes, Wires, &c., should, in all cases, be made at the Fire Alarm Office at the Engine House No. 1, cor. of Bay and Temperance Street, or at the Engineer's Office, Court St. Fire Hall.

DEPARTMENT AND TELEGRAPH ORDERS.

CALL FOR ENGINES OR HOSE.

When a steam Fire Engine or Hose are required for special duty, the number of the Signal Box in the locality where required will be struck once; if a reel of Hose only be required, the number of the Fire Hall from which the Hose shall be sent will be struck once; if Engine and Hose, or two Reels of Hose, are required, the number of Fire Hall required to send both will be struck twice.

SPECIAL FOR ASSIST. ENGINEERS AND FIRE COMPANY.

If the Engineers and Fire Company are required for any special purpose, Ten blows will be struck on the Alarm Bells, and Gongs, whereupon the Assistant Engineers and all Members of the Fire Company shall attend as expeditiously as possible at the Court Street Fire Hall. Should their attendance be required elsewhere, in addition to the ten blows, as above directed, the number of the Signal Box in the locality where required will be struck twice, with a pause of about 15 seconds between each time.

FALSE OR UNNECESSARY ALARM.

When the Alarm of Fire is sounded, as soon as possible after it is ascertained that there is no cause of alarm, or that the fire has been extinguished, two distinct blows will be struck on the Alarm Bells and Gongs.

JAMES ASHFIELD,
Chief Engineer Fire Dept.

LEGAL AND JUDICIARY.
Supreme Court of the Dominion and Court of Exchequer.

The Supreme Court, as a high Court of Appeal, constituted by Dominion Statute, 38 Vic., cap 2, assented to 8th April, 1875, is composed of a Chief Justice and five Puisne Judges, and has appellate civil and criminal jurisdiction within and throughout the Dominion of Canada. The Judges reside at Ottawa, where the Supreme Court holds annually two sessions, beginning respectively on the third Monday in January and in June. The Exchequer Court, presided over by the same Judges, possesses concurrent original jurisdiction in the Dominion in all cases in which it is sought, to enforce any law relating to the revenue and exclusive original jurisdiction in all cases in which demand is made or relief sought in respect of any matter which might in England be the subject of a suit or action in the Court of Exchequer on its revenue side against the Crown, or any officer of the Crown.

Hon. William Buell Richards, Chief Justice
Judge Johnstone Ritchie, Puisne Judge
Samuel Henry Strong, Puisne Judge
Jean Thomas Taschereau, Puisne Judge
Telesphore Fournier, Puisne Judge
William Alexander Henry, Puisne Judge
R. Cassells, jun., Registrar.

The Law Society of Ontario.
The Law Society was first established in 1797, by the Act 37, George III., c. 13, which enabled the then practitioners of the law to form themselves into a society and to make rules for its government. By the act of 1822, 2. George IV., c. 5, "the Treasurer and Benchers of the Law Society" were formally incorporated; and under these and other statutes the Society has continued to be governed by a Board of Benchers, in the same manner as the various Law Societies of England. By the act 34 Vic., c. 15, the Benchers theretofore appointed from time to time by their own body, are made, exclusive of ex officio members, elective by the Bar, the ex officio consisting of the Attorney-General for the time being, and all members of the Bar of Ontario who have at any time held the office of Attorney or Solicitor General of the former Province of Upper Canada, and any retired Judges of the Superior Courts of Law or Equity of Ontario; the elective, thirty in number, being chosen by ballot, for a term of five years, by the members of the Bar, in manner prescribed by the Act. Vacancies during the term are filled by the remaining Benchers. Judges of the Superior Courts are visitors of the Society, and, on the first day of Easter Term, annually, the Benchers appoint one of their body to be Treasurer, who is also President of the Society. The Benchers sit in convocation every term for the call of Barristers, the admission of Attorneys and Solicitors to practice, and of Students to enter the Society, the fees paid by whom form the revenue of the Society. Osgoode Hall, appropriately named after the first Chief Justice, is the Ontario "Inn of Court," or headquarters of the Society, in which is provided accommodation for the Courts of Equity, and for the sitting in term of the Superior Courts; with a valuable and extensive library.

COURT OF APPEAL.—Constituted for the hearing of appeals in civil cases from the Courts of Queen’s Bench, Chancery and Common Pleas; and appeals in criminal cases from the Courts of Queen’s Bench, Common Pleas, and County and Insolvent Courts. From the judgment of this Court, an appeal lies, at the option of the parties, either to the Supreme Court of the Dominion, or to Her Majesty in Privy Council. In cases over £1,000, or where annual rent, fees, or future rights of any amount are affected, the judgment in either case being final. The Judges of this Court, in addition to their appellate duties proper, take part in presiding over Courts of Assizes and Nisi Prius and over Terminus and General Jail Delivery, and holding Chancery Sittings, and may be placed on the rota for the trial of Election petitions with the Judges of the Superior Courts of Law and Equity, who as ex-officio Judges of this Court, choose from their number a Judge or Judges to sit in Appeal in case of there being a vacancy in this Court, or if, from illness or some other cause, one or more of the Judges of the Court is unable to be present, or is under any legal disqualification to hear an appeal. Practice Court and Chambers.—One of the Common Law Judges holds a Court, during each Term, called the "Practice Court," for hearing matters relating to the adding or justifying bail, hearing and determining matters on motion, and making rules and orders in causes and business depending in either of said law courts. Chambers are held each day in Common Law and Chancery by one of the judges of the said Courts, and under recent statutes by the clerk of the Crown and Pleas in Common Law, and by the referee in chambers in chancery, for such business relating to suits therein as may be transacted by a single judge out of Court. Clerk Common Law Chambers—W. B. Heward.

Hire and Devisee Court.—Commissioners, the Judges of the Superior Courts, and such other persons as may be appointed by commission under the Great Seal. Their duties are to determine claims to lands in Upper Canada, for which no patent has issued from the Crown in favour of the proper claimants, whether as heirs, devisees or assignees. Sittings at Toronto, first Monday in January and July in each year. Clerk of Commissioners, W. B. Heward.

Courts for the Trial of Controverted Elections.—The nature of these Courts is sufficiently indicated in their title. The Judges of the Court of Appeal and of the Superior Courts of Law and Equity meet annually in Michaelmas Term, and severally select, by a majority of votes, a Judge of their respective Courts to be placed on the rota for the trial of election petitions. In the case of death or illness of a Judge so chosen, the Court of which he is a member meet and elect another Judge. At trials referring to the Dominion Parliament, two Judges preside, and appeals lie to the Supreme Court at Ottawa. At those relating to the Legislature of Ontario, a single Judge presides, and the appeal is to the Court of Appeal of that Province.

County Courts.—Presided over by a resident Judge in each county, assisted in some counties by a Deputy or Junior Judge. Their jurisdiction extends to all personal actions where the debt or damages claimed do not exceed $200; and to all suits relating to debt or covenant or contract, where the amount is ascertained by the acts of the parties or signature of the defendant, to $400; and to all bail bonds and recognizances of bail given in the County Court, to any amount; but not to cases involving the title to lands, validity of wills, or actions for libel, slander, crim. con., or seduction. An appeal lies to the Court of Appeal of Ontario.

County Court Sittings and Courts of General Sessions.—The County Judge in each county holds a sitting of his Court and a Court of General Sessions in his county semi-annually on the first Tuesday in June and December, except in the County of York, in which county said Court is held four times, commencing on the second Tuesday in March, May, September and December, the latter Courts for the trial of cases of felony and misdemeanor, but treason and capital felonies are exempted from their jurisdiction. The Judge may also, in his discretion, hold additional sittings at such times as may be deemed expedient to expedite business, but only for the trial of issues of fact without a jury.

County Judges' Criminal Court.—Persons committed to jail for trial, on charge of being guilty of any offence for which they may be tried at a Court of General Sessions, may with their own consent, and subject to the provisions of the Act in that behalf, be forthwith tried by the Judge of the County Court and General Sessions without a jury, and if convicted, be sentenced by the said Judge; and the Judge sitting on any such trial for all the purposes thereof, is constituted a Court of Record, and the record in any such case shall be filed among the records of the Court of General Sessions last mentioned.

Courts of Revision.—The County Judges hold annually Courts of final revision of the Assessment Rolls of each Municipality, being in the light of Courts of Appeal from the first Court of Revision held by the Municipality; and also Courts for the Revision of the Voters' Lists, being equivalent to the Courts held by Revising Barristers in England.

Insolvent Debtors' Courts.—These courts, which have reference to traders only, are regulated by the Act known as "the Insolvent Act of 1875," which consolidated and assim-
lated the practice in Bankruptcy and Insolvency in the several Provinces of the Dominion. The County Judges in the several counties preside, and official assignees are nominated by the Governor in Council, and are officers of the Court, having jurisdiction in the county or district for which they are appointed. An appeal lies to the Court of Appeal of Ontario.

Surrogate Courts.—The jurisdiction of these Courts relates to all testamentary matters and causes, and to the granting or revoking of probate of wills, and letters of administration of the estates or effects in Upper Canada, and all matters arising out of or connected with the grant or revocation of probate or administration, subject to an appeal to the Court of Chancery. The County Judges are also Judges of the Surrogate Courts. Chief Surrogate Clerk at Toronto—Sir J. L. Robinson, Bart.

Division Courts for the summary disposal of cases by the presiding Judge, being the County Judge or his Deputy, or any Barrister appointed to hold the same, but a jury of five persons may be demanded in certain cases. Their jurisdiction extends to actions of debt or contract amounting to $100; injuries or torts to personal chattels amounting to $40; and personal actions to that amount, if not excepted from their jurisdiction; but not to actions for gambling debts, liquors drunk in a tavern, or notes of hand given therefor, ejectment, title to land, &c., or any toll, custom or franchise, will or settlement, malicious prosecution, libel, slander, crim. con., seduction or breach of promise, or actions against a J.P., for anything done by him in the execution of his office, if he objects to it. Each judicial district is divided into court divisions, and courts are held once in two months in each division or oftener, at the discretion of the Judge. The divisions are established by the Courts of General Sessions, and in certain cases by the Judges.

Board of County Judges.—Chairman—J. R. Gowan, County Simcoe. Members—S. J. Jones, County Brant; D. J. Hughes, County Elgin; James Daniel, Counties Prescott & Russell; and James Smith, County Victoria.

Terms of the Courts.

Court of Appeal.—This Court holds its sittings at such times and for such periods as the Judges shall from time to time deem necessary or convenient for the speedy dispatch of business, the times now fixed being the 15th of March, June, September, and December, notice of the holding of such sittings being given according to the usual practice.

Law Terms.—Hilary begins first Monday in February, and ends Saturday of the ensuing week; Easter begins third Monday in May, and ends Saturday of the second week thereafter; Michaelmas begins third Monday in November and ends Saturday of the second week thereafter. Trinity Term begins on the Monday after the 21st August, and ends Saturday of the following week. The Courts of Queen’s Bench and Common Pleas have power also, at their discretion, to hold sittings in banc in time of vacation (except long vacation), by virtue of a rule or order of the Court respectively to be made in or out of term, for the hearing of such special cases or rules for new trials as shall be named in a list to be attached to any such rule or order, and for giving of judgments in cases previously argued, and for disposing of such other business as the Court in its discretion shall see fit; and one of the Judges of either of the Superior Courts sits in open Court on Tuesday and Friday of every week, as well in as out of Term, except during vacation, for the purpose of disposing of all Court business which may be transacted by a single Judge, subject to an appeal to the full Court, which for that purpose may be constituted of two Judges.

Chancery Terms.—Terms for the hearing of causes, including examination of witnesses, are held twice in each year, at Toronto and on Circuit, the places and dates being previously arranged by the Judges (see Circuits). Terms for the hearing of causes are held on the third Thursday in February, the last Thursday in August, and the first Thursday in December. The Court sits every week, except during vacation, for the dispatch of business, in the following order: Monday, chamber business; Tuesday, motions; Wednesday, hearing pro confesso and on bills and answer, motions for decree, further directions, petitions, and demurrer. Thursday, appeals from Master’s reports.

LONG VACATION extends from the 1st of July to the 21st of August. In Chancery, there is also a vacation from the 24th December to the 6th January.

COUNTY COURT TERMS.—The several County Courts in Ontario hold four terms in each year, commencing respectively on the first Monday in the months of January, April, July and October, and ending on the Saturday of the same week.

Circuits of the Courts.

LAW CIRCUITS.—Courts of Assize and Nisi Prius and of Oyer and Terminer and General Gaol Delivery are held twice a year in each County, in the vacation between Hilary and Easter Terms, and between that period of the vacation after the 21st of August and Michaelmas Term, except the Counties of York and Wentworth, in each of which Counties there is held a third such Court in every year, in the vacation between Michaelmas and Hilary Terms; and in the County of York there is held a fourth such Court, between Easter Term and the first day of July. The Courts of Assize and Nisi Prius may, in the discretion of the Judges, be held separate and apart from the Courts of Oyer and Terminer and General Gaol Delivery, and the Assizes for any County are not put an end to by the commencement of Term, but may continue and be held during Term, subject to special rules in such case for moving against the verdict or for new trials. There are eight Circuits, as follows, viz.:

The Courts in each Circuit shall be presided over by one of the Chief Justices or Judges of the Superior Courts, or of the Courts of Appeal or Chancery, or, in their absence, by a Judge of a County Court, or some one of Her Majesty's Counsel learned in the law, requested by the Chancellor or one of the Vice-Chancellors to act in that behalf.
