TESTIMONIALS

Gentlemen,—The Ennis & Co. Piano that you shipped arrived in good order and condition. I consider it the best Piano value in Canada for the money. Yours very truly,

B. WILLIAMS.

Gentlemen,—I have tuned several pianos of your make and find them easy to tune on account of their purity of tone and correctness of construction; their standing-in tune qualities are remarkable.

SAM MINNIS.

Gentlemen,—Being reared in a business similar to piano making in a great many points I can intelligently state that Ennis & Co. Pianos are well and honestly made, the one purchased by me giving the utmost satisfaction in every way.

JOHN BOLTON, 301 John St. North.

Gentlemen,—The style "C" Piano purchased from you in August, 1890, has under constant use, stood the test well, and been of very little expense to us. I would prefer one of your new large scale, but can see years of usefulness and pleasure in the one I possess.

JOHN A. DRESSEL, 106 Herkimer St., Hamilton.

Dear Sirs,—The piano I purchased from you some time ago has given me entire satisfaction, and I testify with pleasure to the superior qualities of the instrument, viz., tone, touch, finish and mechanical construction. Yours truly,

ALF H BAKER,
Choirmaster, Hannah St. Church.

Dear Sirs,—I am pleased to state that three Pianos (two for presents and one for my own use) purchased by me have delighted all who have seen and heard them. They stand in tune remarkably well, and with age become freer and more mellow in tone.

A. W. GAGE, 66 East Ave. South.

Gentlemen,—I am pleased to state that our Ennis & Co. Piano has greatly improved in tone during the four years we have had it, and my daughters prefer it to sing by. Judging from the past, I have every confidence that our Piano will prove a most durable instrument

EDMOND VAN MERE.

Dear Sirs, We are pleased to state that the Ennis & Co. Piano used at the vocal concert given by the pupils of Mrs. Wickstrom, at Association Hall on the evening of June 7th, gave entire satisfaction, its quality of tone rendering it a perfect instrument to accompany singing.

MRS. BRUCE WICKSTROM,
Teacher of Vocal Music, Hamilton.

Introductory

IN presenting this our latest catalogue, our aim is to illustrate the high mechanical, artistic and musical excellence of the piano, that since its inception in 1886 has grown in the esteem and admiration of the general public to that extent, that to-day the endearing term of "The Sweet-toned Ennis," is universally bestowed upon it.
