For fifty years the WORMWITH PIANO has been made in Kingston. It has stood the test of time—the greatest test of all. Each year sees an increased output. A piano which steadily gains in prestige and favor every year for half a century must have a merit.

The Wormwith Piano Has Merit

It has more—it has a soul, as the best musicians will testify. We do not need to dilate upon its excellencies; ask any of the thousand or more users in Kingston. They will tell you.
